InGex, LLC hereby declares and certifies that:

Products: TGIRT Enzyme and kit.

Catalog number: TGIRT10
TGIRT50
TGIRT template switching kit

Commodity Code: 3507907000

Lot Number: All lots

Cloned enzyme (originally from a bacterial group II intron) and is isolated from the bacteria that contain the cloned protein. It is not an animal enzyme, plant enzyme or fungal enzyme and the source is non-animal, non-plant and non-fungal.

Has been produced from bacteria and contains no ingredients of animal origin.

Has not used material derived from, or exposed to animals affected by, or under quarantine for Transmitting Animal Spongiform Encephalopathy (TSE) / Bovine Spongiform Encephalopathy (BSE).

Has been produced in a facility where no animal products, animal by-products, veterinary vaccines or animal pathogens are maintained and are packed in a packaging that can be identified as to the nature of the products.
